PERFECTWRIGHT proofing editing writing

For your peace of mind

Most websites contain errors. Does yours? How about your brochures, sales literature, reports, documents, proposals, resumes, cover letters, newsletters and articles? If written perfection is essential to you, I can help. Spotting grammar, punctuation and spelling errors as well as typos is my forte and my fun!

What can I do for you?

- Eliminate embarrassing errors (proofread). Spell/Grammar Check does not pick up everything, *i.e.* wrong words such as “two,” “to” and “too.”
- Polish your text (edit) so that it flows logically, clearly and smoothly.
- Update your website with your most current information and visuals.
- Proofread/edit/write non-website collateral material.

How do you benefit?

- **Save time** by outsourcing the arduous task of proofreading
- **Save money** by eliminating the need for reprinting
- **Build revenues** by attracting patrons with flawless presentation that is a mark of flawless product/service
- **Expand your reputation** by satisfying those who seek excellence
- **Enjoy peace of mind** by knowing you have presented your best public face

What are my credentials?

- Nearly a decade in teaching English
- Over 30 years in marketing, advertising and public relations
- B.A. in English literature, University of Pennsylvania
